Save on Energy – Retrofit Cheque Presentation

Date June 7 2016
Location Town of Bracebridge Council Chamber
Customer The Town of Bracebridge
Project Retrofit – Street Light Conversion
Present Vince Kulchycki – Lakeland Power – Chief Operating Officer
Jennifer Montpetit – Lakeland Power – CDM Officer

Project Details

The Town of Bracebridge replaced 933 street lights with energy efficient LEDs and have a projected energy reduction of 725,608.00 kilowatt-hours (kWh) or the equivalent of taking approximately 70 households off the grid. The incentives available through Lakeland Power from the Save On Energy program covered approximately 20 percent of the project costs.

Eligible Incentive: \$ 108,982.00 + HST
kWh Reduction: 725,608.00 kWh

Save on Energy Details

Save on Energy conservation programs are designed to assist homeowners and businesses from the smallest retail stores to the largest industrial complexes to use energy more efficiently. The programs are supported through the Independent Electricity System Operator (IESO) and offered by Lakeland Power Distribution Limited

Save on Energy programs include energy-saving initiatives that cost-effectively reduce energy use in Ontario, while providing customers with a wide range of opportunities and tools to help them better understand and manage their overall energy use. Programs include the Heating and Cooling program which provides rebates for energy-efficient furnaces and air conditioners as well as Retrofit programs that provide incentives to businesses to upgrade to more efficient lighting systems and machinery.

Ontario's Conservation First Framework guides Ontario's conservation efforts

As part of the Framework, customers across Ontario will see innovative and cost-effective electricity conservation programs offered to homes, businesses and industries.

Lakeland Power Details

The Save on Energy programs provide a great opportunity to bring money into the community and help our customers implement projects to reduce their energy use,” said Vince Kulchycki, Chief Operating Officer for Lakeland Power. “Many projects wouldn’t be implemented without these incentives and we’re pleased to be able to make them available to our customers and municipalities.”

Lakeland Power is committed to serving its customers and deliver Save on Energy Programs. “Lakeland Power has aggressive energy targets ahead of them”, said Jennifer Montpetit CDM Officer for Lakeland Power. “We have recently entered into the Independent Electricity System Operator’s (IESO) new Conservation First Framework, where we are set to reduce over 15 Gigawatts (GW) of energy. This is a huge undertaking but we are confident that it is reachable target. We are proud to work with local businesses in assisting them to reduce costs.”

New programs are about to be released that will help residents and businesses save money. Visit Lakeland Power.on.ca or email conservation@lakelandpower.on.ca
